Services Offered By Your Layton Lawn Care Company

What's keeping you from that outfield green lawn you're looking for? Creeping crabgrass, a grubby menace, or dead spots that just won't grow? Whatever the challenges [Big League Lawns](#) has the answers.

Our team of experienced professionals assesses your lawn care needs. We provide a detailed analysis and on-the-money quote.

Lawn Aeration

Big League Lawns deploys specialized equipment to break up hard, dry soil. This permits fertilizer and water to permeate the soil. Your Layton lawn care company [Big League Lawns aeration system](#) gives grassroots room to dig in deep and weather the elements so your lawn will thrive despite weather conditions.

Lawn Fertilization

When a [lawn care service](#) Layton UT like Big League analyzes your lawn, it helps us understand exactly which nutrients that lawn may be missing. When it comes to lawns, even the slightest imbalance in certain vital substance can mean big trouble for your lawn.

Lawn Weed Control

Weeds steal valuable nutrients and moisture from your lawn. And once they take hold, they're harder to fight. Preventing weeds proactively can keep your lawn looking fresh. Your Layton lawn care company [Big League Lawns manages weeds](#) through both pre-treatment and post-treatment methods to let your lawn get the all-star status it deserves.

Crabgrass Pre-Emergent and Post-Emergent

Some weeds are just harder to tackle than others. Once the annual opportunist crabgrass works its way into your lawn, you have a task at hand trying to get rid of it. Sure, it's green and yes, it's grass, but the patchy fingers of mismatched mess destroy the appearance of any lawn. Finding a Lawn Care Service Layton UT that understands how to effectively address this invader isn't easy.

[Big League Lawns tackles crabgrass](#) and spurge first by using a pre-emergent spring treatment to prevent crabgrass seeds from ever taking hold.

Lawn Grub Control

We'll say it, "[grubs are gross.](#)" They can be fun to play with as a kid. But as an adult, trying to keep a lawn, they've become the bane of your existence. We help you keep these plump little pests out of your yard.
